The Process for jurying is seen as an opportunity for constructive feedback to you, the artist. While there is an element of being “judged”, we take seriously our mission to support the arts and artists in our midst. We encourage you to tell us as much as you wish about your work and the processes you utilize. We pledge to be earnest in our feedback to you and to give you every opportunity to be a member of our cooperative. We also take seriously the jurying process and see it as helpful to maintaining the integrity of the work we have in our Gallery. Please take the time to read over the Jurying criteria.

Thank you for presenting your work to us.
